

Take a Quantum Leap in Employee Benefits

With Quantum Health Benefits, a Fully-Insured Supplemental Indemnity Product Designed for Your Company and Your Team

78% of Americans consider switching jobs for better benefits. Are your benefits up to these standards?

Are your benefits up to these standards? Invest in a plan that helps offset your annual major medical premium costs. Quantum Health Benefits delivers a smarter, simpler way to strengthen your benefit packages without increasing your costs. We offer high-value supplemental benefits that are easy to use, enhances your bottom line, and support employee retention. **Your employees will never have a negative financial impact by participating.**

Your Quantum Leap

Works alongside your existing major medical plan with no additional cost

Fully-insured means A-rated carriers have your back

\$0 out-of-pocket cost to employees with a host of additional benefits

Most employees see a net increase in take-home pay*

No additional admin for your HR and Benefit teams

IRS compliant and available in all 50 States

\$900 in annual savings per employee isn't a projection. It's what QHB makes possible.
